

Audina® Hearing Instruments, Inc. was established in 1990 with a dedicated team of skilled individuals sharing a common vision - to build and distribute the finest products, while offering outstanding service with integrity and value. Today, Audina's associates continue to share that same commitment to designing and building state-of-the-art custom hearing instruments. Many of Audina's engineering, technical and sales associates have over 30 years of experience in the hearing industry. Our team is devoted to improving the quality of life for every person who wears an Audina hearing instrument.
